Smart. Storage. Solutions.

www.BRADFORDSYSTEMS.com

A large industrial safety enclosure made of black metal mesh with yellow vertical posts. A door is open in the center, revealing a lock mechanism. The enclosure is set against a plain white wall.

Machine Guard Fence

FULL PROTECTION **AT EVERY TURN.**

Our full collection of safety-enhancing equipment will protect your workers at every angle, from **safety cages, server cages, evidence cages, protective railings, guard rails, pallet rack safety systems, machine guarding**, and much more.

“The team is knowledgeable, helpful, and carries a great line of products. They will transform your company's storage, and make working more efficient for your team.”

A series of yellow metal guard rails of varying heights, arranged in a line. Each rail has a silver-colored top cap. The rails are set on a concrete floor in front of a white wall.

Single & Double Guard Rails
